

2018 PNW Marine Technology Summit CALL FOR SUBMISSIONS

INNOVATION AND EXPLORATION TOPICS

**INNOVATIONS IN OCEAN OBSERVATION:
DATA COLLECTION, USABILITY, &
ANALYSIS**

**UNMANNED UNTETHERED VEHICLES (UUV)
AUV, UAV, USV**

**NEW SENSORS & SYSTEMS:
ADVANCEMENTS IN TECHNOLOGY**

**SHIP BUILDING / DESIGN & SHIP
SYSTEMS**

**TECHNOLOGY SUPPORT: SHIP YARDS /
MAINTENANCE AND SUPPORT,
ENGINEERING AND TRADE SPECIALTIES**

**EDUCATION & OUTREACH: WORKFORCE
TRAINING OPTIONS: STEM HUB, MSI, OSU,
PSU, REGIONAL CC'S**

LOCAL ISSUES

COASTAL RESOURCES

FISHERIES & MARINE MAMMALS

**MARINE RENEWABLE ENERGY:
ENVIRONMENTAL MONITORING/POLICY,
EVOLVING TECHNOLOGY, PACWAVE,
INFRASTRUCTURE**

HYDROGRAPHY

MODELING

The 2018 Northwest Marine Technology Summit returns to the Newport Oregon Best Western Plus Agate Beach Inn on October 10th through 12th, 2018 following a successful Summit in Seattle in 2017. It will feature a variety of session topics, private receptions, ship tours, keynote speakers, and more.

We invite you to present your innovative ideas, information, products, and services at the PNW Marine Technology Summit.

The Summit will provide opportunities for businesses, researchers, and students from throughout the Pacific Northwest to visit with regional innovators in the field and network with like-minded individuals about marine technology sector issues.

GUIDELINES

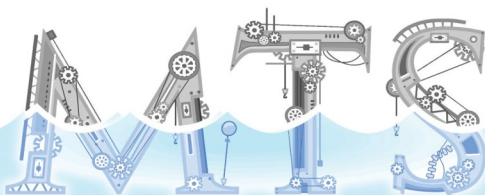

- 250 word limit, include author, title, and topic
- Identify your preferred format: presentation, poster, etc
- Indicate if you would be willing to join a panel
- Specify if any information you submit should not be posted online
- Email all submissions to: Andrew.Ziegwied@ASVGlobal.com
- **Submissions extended to September 30th**
